I. HISTORIC DISTRICT COMMISSION MEMBERSHIP

The Committee has been asked to review the Membership of the Historic District Commission. At the present time the HDC is composed of 8 members appointed by the City Council. The membership includes:

- 1 member of the A.I.A. (provides architectural expertise)
- 1 member of the Powell Historical Society
- 4 residents of the City (at least 2 from the Historic District)
- 1 representative of the Powell Area Chamber of Commerce
- 1 representative of the Liberty-Powell Business Association

The Committee will discuss whether an alternative membership should be considered. Attached is a proposed alternative for the Committee's consideration.

II. LIGHT POLE BANNER POLICY

The Committee has been asked to prepare a light pole banner policy for City Council's consideration. At the present time, the City does not have a banner policy. When the Villagescape was constructed, the intent was to hang banners on the light poles throughout the downtown. Attached is a proposed banner policy for the Committee's consideration.

III. COMPREHENSIVE COMMUNICATIONS PLAN

The Committee will discuss their thoughts and ideas regarding implementing the City's Comprehensive Communications Plan.

The Committee will discuss a request to construct an appropriate memorial to commemorate the services of all members and veterans of the armed forces who have called, or now call Powell home.
