OPERATIONS COMMITTEE

MEETING MINUTES

December 16, 2008

8:00 a.m.

Village Green, 47 Hall Street

Attendance Don Grubbs, Tom Counts, Eric Fischer, Jeff Robinson, Susie Ross, and Steve Lutz.

I. COMMUNITY SURVEY REVIEW

Eric Fischer distributed a summary of the Community Survey results. This summary categorized all 403 responses. It also categorized single family unit responses from Grandshire, Golf Village and Olentangy Ridge.

Tom Counts suggested that both the Finance Committee and Development Committee review those questions which relate to areas that they study. Don Grubbs suggested that other groups be provided the information in order to assist them with carrying out their duties.

Eric Fischer commented that he could put responses from condo owners into a separate grouping.

The Committee inquired as to whether the responses could be divided into City quadrants? The Committee also inquired as to whether the responses could be divided based on the median home values? The Committee agreed that the first priority is to group the responses into single family home responses. After that they suggested grouping them into condos and then into quadrants.

II. OTHER ITEMS

Tom Counts suggested that the Committee investigate installing bigger street signs for entrances into subdivisions.

The Committee also stated they would like to begin to investigate deed restrictions of subdivisions.

III. ADJOURNMENT

Having no further business to come before the Committee, the meeting was adjourned at 9:25 a.m.
