- b. Required land dedication = (1) x .05
- c. The estimated average value of land per acre shall be established every time the Delaware County Auditor performs the Triennial Revaluation and Sexennial Reappraisal of property values within Delaware County by utilizing a GIS analysis of said land valuation. The specific GIS analysis utilized is on file with the City Finance Director and is titled "City of Powell Recreation Fee Evaluation" which is adopted by Council as part of this Fee Schedule. This value is currently \$75,000 per acre based upon the 2005 Triennial Revaluation performed by the Delaware County Auditor.
