Tom Counts, Mayor
Powell City Council
47 Hall Street
Powell, Ohio 43065

Dear Mr. Counts and Fellow City Councilmen,

It is with regret that I find myself unable to continue in my elected role as a City of Powell Councilman. Over the last two year in office I have enjoyed serving on Council and participating in the continual process of making Powell a wonderful place to raise a family.

As most of you know, I recently accepted a 30-month assignment that requires me to travel out of state and does not allow me to attend regular City Council Meetings. I believe I must step aside so that the City can be fully represented on Council.

I will remain a resident of Powell and look forward to the continued leadership that this fine City Council and Staff provides.

Sincerely,

Bill Morton
