

**Temporary Signage Plan – Recreations Outlet – 484 W. Olentangy St.**

***Current Situation***

Current Tenants of the Recreations Outlet property are placing banners and temporary advertising signs of various sizes into the grass area as well as onto the fence facing Powell Rd. With 5 to 6 tenants all displaying temporary signage in various locations, the look is not so appealing.

Our desire is to get approval on a plan that will allow the use of temporary advertising signs in a consistent and aesthetically pleasing manner.
