

Temporary Special Event Flag Signage

1. In addition to the temporary advertising signage that will be mounted in the structure, the major tenant may have a special event that would benefit from the use of accent signage or decorative flags.
2. The flags will be placed in four to five locations along the fence line of the property frontage. Use of the flags will be limited to one week per event. One or two events per year are proposed.
3. Types of flags will include Specialized flags designed for the major tenant with the specific event in mind.
