The final Lolli-Pops! Kids Concert of the 2009 season will be Friday, Aug. 14 at 10:30 a.m. at the Village Green Amphitheater in Powell. Mousetrap, a Columbus-based group that plays the songs of Hannah Montana, the Jonas Brothers and other Radio Disney favorites, will perform.

“It’s hard to believe we’re coming up on our final concert of the season already,” said Jeff Robinson, Powell’s public information officer. “We had two great shows in July with The Marvelous Toy and Thaddeus Rex, and I know Mousetrap will provide the same high-energy performance that all ages will enjoy.”

Mousetrap promises plenty of interaction, singing and dancing, along with music that emphasizes positive values.

At the conclusion of the show, kids are invited to head to the City of Powell’s Splash Pad, where they can play and interact with a Water Frog, a character in a waterproof costume. The Water Frog is scheduled to be at the Splash Pad from 11:30 a.m. until 2:30 p.m., so remember to bring your swimsuits, sunscreen and towels.

In addition, there will be plenty of chalk for drawing on the sidewalks surrounding the stage and City of Powell Lolli-Pops! giveaways. The Powell Kiwanis Club will have food items for sale as well.

The concert and parking are FREE. Parking is available for concertgoers in the municipal parking lots downtown, at Adventure Park on Village Park Drive and in the Village Academy School parking lot, located at 284 S. Liberty Street. Concertgoers should NOT park in private parking lots around the amphitheater, particularly if they plan to stay and use the Splash Pad after the concert.
