

RESOLUTION 2025-22

A RESOLUTION AUTHORIZING THE CITY MANAGER TO PURCHASE A SERVICE TRUCK FROM BYERS AUTOMOTIVE FLEET SERVICES FOR THE REPLACEMENT OF A 2013 FORD F-350 USED BY THE DEPARTMENT OF PUBLIC SERVICE.

WHEREAS, The City of Powell budgeted and planned for the replacement of a 2013 Ford F-350 1-ton service truck with a dump bed insert in the 2025 Capital Improvement Plan; and

WHEREAS, The truck is primarily used by the Department of Public Service for OUPS locates, street sign maintenance, and storm sewer operations, and is beyond its useful service life with over 104,000 miles and multiple mechanical and operational issues; and

WHEREAS, A replacement vehicle has been identified and specified through internal operator review and collaboration with Byers Automotive Fleet Services; and

WHEREAS, The City intends to utilize cooperative government pricing through General Motors and Byers Chevrolet, providing a combined savings of \$2,800 from the estimated purchase cost; and

WHEREAS, The proposed service truck includes an 8' service body, 3000-watt inverter, shelving, safety lighting, snowplow prep package, and other equipment necessary for efficient and safe operations; and

WHEREAS, The City wishes to proceed with the purchase and hold a portion of the budgeted funds for additional equipment including a crane/winch and supplemental LED lighting.

NOW THEREFORE BE IT RESOLVED BY THE CITY OF POWELL, COUNTY OF DELAWARE, STATE OF OHIO, AS FOLLOWS:

Section 1: That the City Manager is hereby authorized and directed to purchase a replacement service truck from Byers Automotive Fleet Services in the amount of \$65,364, with the authority to allocate up to \$44,636 in remaining budgeted funds toward additional equipment and modifications as needed.

Section 2: It is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this Resolution were adopted in an open meeting of Council and that all deliberations of Council and any of the decision-making bodies of the City of Powell, which resulted in such formal actions, were in meetings open to the public in compliance with all legal requirements of the City of Powell, Delaware County, Ohio.

City Council
Tom Counts, Mayor

Kurt Ramsey Leif Carlson David Lester Heather Karr Ferzan Ahmed Tyler Herrmann

Section 3: This Resolution shall be in full force and effect immediately upon adoption.

Ohio Revised Code

Section 9.48 Joint purchasing programs.

Effective: September 12, 2008

Legislation: Senate Bill 268 - 127th General Assembly

(A) As used in this section, "political subdivision" has the same meaning as in section 2744.01 of the Revised Code and includes a county hospital as defined in section 339.01 of the Revised Code.

(B) A political subdivision may do any of the following:

(1) Permit one or more other political subdivisions to participate in contracts into which it has entered for the acquisition of equipment, materials, supplies, or services, and may charge such participating political subdivisions a reasonable fee to cover any additional costs incurred as a result of their participation;

(2) Participate in a joint purchasing program operated by or through a national or state association of political subdivisions in which the purchasing political subdivision is eligible for membership.

(3) Participate in contract offerings from the federal government that are available to a political subdivision including, but not limited to, contract offerings from the general services administration.

(C) Acquisition by a political subdivision of equipment, material, supplies, or services, through participation in a contract of another political subdivision or participation in an association program under division (B)(1) or (2) of this section, is exempt from any competitive selection requirements otherwise required by law, if the contract in which it is participating was awarded pursuant to a publicly solicited request for a proposal or a competitive selection procedure of another political subdivision within this state or in another state. Acquisition by a political subdivision of equipment, materials, supplies, or services pursuant to division (B)(3) of this section is exempt from any competitive selection requirements otherwise required by law. No political subdivision shall acquire equipment, materials, supplies, or services by participating in a contract under this section if it has received bids for such acquisition, unless its participation enables it to make the acquisition upon the same terms, conditions, and specifications at a lower price.

(D) A political subdivision that is eligible to participate in a joint purchasing program operated by or through a national or state association of political subdivisions in which the purchasing political subdivision is eligible for membership may purchase supplies or services from another party, including another political subdivision, instead of through participation in contracts authorized by division (B)(2) of this section if the political subdivision can purchase those supplies or services from the other party upon equivalent terms, conditions, and specifications but at a lower price than it can through those contracts. Purchases that a political subdivision makes under this division are exempt from any competitive selection procedures otherwise required by law. A political subdivision that makes any purchase under this division shall maintain sufficient information regarding the purchase to verify that it satisfied the conditions for making a purchase under this division. Nothing in this division restricts any action taken by a political subdivision as authorized by division (B)(1) of this section.

(E) The authorization granted to a municipal corporation under this section shall be in addition to, and not in derogation of, the powers and authority granted by state law, the Ohio Constitution, and the provisions of a municipal charter, ordinance, or resolution.
